What is Portsmouth Safeguarding Board ?

The PSAB is a multi-agency partnership which provides strategic leadership for the development of safeguarding policy and practice, consistent with national policy and best practice. Membership includes representatives from: Adult social care; fire; health; housing; police; probation; the third sector and service user representation

What we do

The PSAB partners safeguard the welfare of adults at risk by working together in the six key areas of the Governments statement of policy on safeguarding empowerment, protection, prevention, proportionality, partnership and accountability
